PROFILE

I am a motivated BSc CSIT student specializing in e-commerce operations, web design, and market research. Expert in combining **HTML/CSS** and **UI/UX fundamentals** with creative tools like **Photoshop** and **DaVinci** to build engaging online storefronts. Focused on using data-driven research and modern design principles to optimize web performance and customer experience.

SKILLS

- Creative: Video Editing (Cap Cut/DaVinci), Graphic Design (Photoshop/Canva)
- E-commerce: Product Listing, Market Research, SEO Optimization
- Technical: Python, C++, HTML/CSS, Advanced Excel
- Soft Skills: Professional Communication, Adaptability, Time Management

EXPERIENCE

Digital Content & Research Assistant

2023-2026

- Video Production: Edited high-retention short-form product videos (Reels/TikTok) using Cap Cut and DaVinci.
- Graphic Design: Developed professional social media banners and product infographics using Canva and Photoshop.
- Market Analysis: Analyzed competitor pricing and visual trends to optimize product listings and increase click-through rates.

Customer Support Specialist

2024-2025

- Handled high-volume customer inquiries and resolved technical issues professionally.
- Maintained digital logs to assist in identifying customer pain points for service research.
- Developed strong communication and conflict-resolution skills in a fast-paced environment.
